

BELGIAN SAILING

Sailor of the Year Talent

Kwinten en Lotte Borghijs are sailing in one of the most fascinating sail classes, the Nacra 15. This catamaran demands perfect teamwork with a very precise helmsman and a very strong crew. 2021 was a great year for this young team from Antwerp. They finished third on the World Championships in La Grand Motte (FR) and took the fourth place in the Youth World Championships in Oman. They are hoping for a windier 2022 and are already dreaming of the transfer to the olympic Nacra 17. A family with quiet some sailing in their DNA [de Tontin Pups](#)
