

BELGIAN SAILING

Sailor of the Year Team

To present the trophy of Sailor of the Year Team Evi Van Acker went to Lanzarote where winners Isaura Maenhaut and Anouk Geurts are participating in their first regatta of 2022. They have fond memories of Lanzarote as they captured the last available spot to the Tokyo Olympics here in 2021. On their first games they finished on a great 14th spot and in the World Championship 49FX in Oman they scored a great 7th place! A young team in full evolution that finishes the 2021 ranking of World Sailing on the tenth place! [More](#)
